

HOW TO GET STARTED

First, let's do a
FREE In-Home Consultation
NO COST, NO OBLIGATION!

Our in-home evaluation helps your family understand your loved one's current situation and future needs. We review your loved one's lifestyle, medical conditions and needs to help them remain independent at home.

We work with the entire family and fully explain our care services, answer any questions, and help with the important decisions faced by the family or loved one.

We will address all your concerns, including:

- Matching the appropriate caregiver
- Daily routines
- Health and medication concerns
- Emergency response
- Nutritional requirements
- Home cleaning assistance
- Transportation needs
- Costs of services

*Enjoying
independence in
the comfort
of home*

*"It has made a major
difference in our lives."*

Our caring service allows our elderly clients to maintain as much independence as possible by providing the appropriate in-home assistance and companionship, lifting the spirits of both the elderly, the family and the caregivers as well.

WHY IN-HOME CARE?

Our passion is helping clients remain at home;
providing families with peace of mind.

We give relief from daily routines, tailoring our services and schedules to meet the needs of our clients.

We are devoted to seniors and the chronically disabled who aren't ready to leave home for an institutional setting.

We understand and promote the importance of intellectual activity to aide in decreasing the risk of dementia.

We provide help with activities such as cooking, laundry, errands, medication reminders, housekeeping and more.

Our caregivers are highly qualified state-licensed individuals who are well trained and carefully selected, thoroughly screened, bonded and insured. Most importantly, our priority is to have caregivers who are completely trustworthy and extraordinarily caring of others.

Our caring service allows our elderly clients to maintain as much independence as possible by providing the appropriate in-home assistance and companionship, lifting the spirits of both the elderly and the family caregivers as well.

OUR PASSION IS HELPING

"My Mother and I don't have to tell you how difficult it is to care for an aging and chronically ill parent at long distance. Your company has been invaluable and stepped up to the ever increasing needs of my mother and myself, all of which has been above and beyond. "

- S.S., Brentwood

"Homelife Senior Care was recommended by a counselor at Kaiser. With reliable, compassionate caregivers we were able to keep my mother-in-law in her home. We are thankful we made a good choice."

- Peggy M., Discovery Bay

"Thank you! Thank you! For all the love, support and care all of you gave to us. You were all wonderful to me and my mom, Lucy. My mother received such great care."

- Irene & Ray P., Antioch

"Thank you so much for the wonderful care you have provided to my parents. My mother says repeatedly that she doesn't know how she would have gotten through this transition time without the wisdom and kindness of our caregiver. "

- S.N., Rio Vista

If you or your loved ones live in the East County and Central County areas and wish to remain at home and independent for as long as possible, contact **HomeLife Senior Care** to discuss your care needs. In-home care is our specialty, and we can help!
